

McNary High School Athletic Booster Club
Advertising and Sponsorship Program
for the 2024-2025 School Year

Our Mission:

The McNary Athletic Booster Club is an Oregon Not-For-Profit Corporation. The club is an organization of parents and community members dedicated to supporting the outstanding athletic programs at McNary High School. We unite students, parents, coaches, faculty, staff, and community in a way that enhances school spirit, and provides moral and financial support.

We are proud of our long tradition of athletic success but are equally as proud of the impact that the McNary High School athletic program has made on the lives of our students. The friendships formed and the life skills developed are the ultimate measure of success. Your involvement and support of our booster club can and does make a lasting impact on the lives of our student athletes.

McNary High School
595 Chemawa Rd N Keizer, OR 97303

Contact us: mcnarysponsorships@gmail.com

Support your McNary Celtics and get your business recognized!

With the LED scoreboards on the turf field and in our gymnasium, we have opportunities to advertise your business! All funds from these sales will go to support the needs of the athletes in various sports, clubs, and activities as requested by those programs, based on need, and voted on and approved by the Board. The advertising and sponsorship programs closely align with our mission statement, and we are proud to provide these options. *If you'd like 50% of your payment to go to a specific sport, club, or JROTC, please specify on the final page.*
